

THE DIRT!

SOILBIOTICS COMPANY E-NEWSLETTER

FEBRUARY 2023

Spring Special!

We're offering a spring special on **PH K**, our dry granular humate product available in 100, 150 or 200 sgn sizes. The discount is for orders placed between March 1, 2023 and March 31, 2023, to ship no later than April 30, 2023. These orders will receive \$30 off per half ton or \$60 per full ton. Orders must be placed in half ton or full ton increments only. No discount on any other unit size. Contact your sales representative or call the SoilBiotics office at 815-929-1752.

More SoilBiotics Products for Spring

For Conventional programs, SoilBiotics **OS 46** is a ready-to-use fertilizer with a unique formulation of high-quality 46-0-0 urea and SoilBiotics humic product. Unlike products using urease inhibitors, which tend to work only in the short term, **OS 46** can hold the urea nitrogen in organic form for months so it will be ready when the plant needs it. **SB Super Sweet** is a unique liquid formulation of natural sugars. It is a source of quick carbon consumption for feeding and increasing populations of bacteria and microorganisms in soils.

Upcoming Shows

WINTER MEETING

Plan on joining the SoilBiotics staff along with SoilBiotics distributor, Andy Clayton, for an informative meeting on Friday, March 24th, 2023.

Todd Zehr will be presenting two programs. The first presentation will be on **“Back to the Basics,”** and the second will be on **“Protocol for High Yield Contestants.”**

The meeting is at The Wright Conference Center, 1 Charles Street, Rushville, IL 62681, in the same building as State Farm Insurance, and the shared parking lot with the USDA office. Sign-in is at 9:30 a.m. and the presentations are from 10:00 a.m. to 12:30 p.m. Lunch will be served.

Pre-registration is required. Please RSVP by Thursday, March 16th to: The SoilBiotics office @ 815-929-1752, or Andy Clayton @ Mobile: (217) 322-2639.
